

MISSISSIPPI STATE DEPARTMENT OF HEALTH

---

April 29, 2025

Claire T. Bogner  
Quality Assurance Officer  
Teklab, Inc-Bluff Rd  
1355 Bluff Rd  
Collinsville, IL 62234

Dear Ms. Bogner,

This is to acknowledge receipt of the current certificate and scope of certification issued by the State of Illinois Environmental Protection Agency NELAP – Recognized Environmental Laboratory Accreditation program. Certification by reciprocity under the Safe Drinking Water Act is being granted to Teklab Inc-Bluff Rd, Collinsville, Illinois by the State of Mississippi for the certified drinking water PFAS chemical fields of testing as granted by the Illinois NELAP from January 23, 2025 to April 30, 2026.

Certification for radiochemistry is determined by USEPA Region 4 SESD. All required documentation for radiochemistry certification is maintained by the MS Public Health Laboratory.

Notification must be made to this office in writing within 30 days of any changes in the laboratory's Illinois certification status.

Please notify the Mississippi Bureau of Public Water Supply, 601-576-7518, immediately upon the occurrence of any compliance sample which exceeds the MCL. Results for compliance samples are reportable to the MS Bureau of Public Water Supply as soon as testing is completed.

Sincerely,

*Janet Hartin*
